Dear Dr. Watrin,

I am writing to express the gratitude of the Supreme Council of Antiquities for your help in the case of the artifacts stolen from the magazine at Maadi.

We very much appreciate your work to ensure that the sale of stolen artifacts by Bonham's, Christie's, and others did not proceed, as well as your work to identify and document the missing pieces.

Your assistance has been invaluable in our pursuit of this case. Please accept our warmest thanks, along with our best wishes.

Sincerely,

Zahi Hawass

Secretary General, the Supreme Council of Antiquities
